# The Return

It was pure joy to see the children competing on the playing field on 5th July, and to have so many of you there to cheer them on! Sport features

strongly in our curriculum at RFPS, and sports day was a fitting celebration of sport to conclude a very successful and varied sporting year in

# of Sports Day!

which the children participated in an extensive list of sporting activity, and both our boys' and girls' football teams made it to the county finals. Our Early Years and Infant sports day

featured lots of fun sports, including a water relay, soft-toy sledge racing, along with time-honoured favourites, the egg and spoon and sack races, enjoyed by the juniors, too!

This year's Year 6 production was an absolute triumph and provided us with some very memorable entertainment. It was wonderful to have a live audience in the building, and the children's talents and hard work resulted in "Robin Hood and the Sherwood Hoodies" being a great success! We look forward to hearing that some of our performers go on to do more work on stage!

Year 3 have been working with ceramicist, Lauren Frost, to produce pots inspired by their visit to Vindolanda. The children drew their

designs, then used a range of techniques to make and decorate their pots, including having a go on the potter's wheel!

# Summer Outings

6

Pre-school - to the farm; Reception - The Lake District Wildlife Park; Year 1 - Silloth and Allonby; Year 3 - Vindolanda Roman Fort; Year 4 - Watchtree Nature Reserve; Year 5 - Talkin Tarn; Year 6 - Clip n Climb and Allonby Beach + Lazonby Pool.

# Summer Highlights

The fire service explained about fire-safety, their work, and taught Y6 emergency first aid.

Carlisle Schools' Partnership Literacy Festival was a bonanza of great opportunities to take inspiration from authors, illustrators, poets, artists, story tellers and performers. The children's enthusiasm for writing received a huge boost!

We celebrated the Queen's platinum jubilee!

This term we also bought a new minibus and introduced the salad bar for school dinners!

Ash Randall, Football Freestyler visited us to provide inspiration - to have a go at freestyle football, and to think about what we can achieve with determination and practice!
