

What a Difference!

What a difference it makes when you encourage your child to read on a regular basis! There really is a strong link between the rate of progress your child makes at school and the amount of time he or she spends enjoying a good read at home. Not surprisingly, the children we observe making the most rapid progress at school are frequently those who are in the habit of curling up with a good book, magazine, or other reading material, with your encouragement being essential to establishing this.

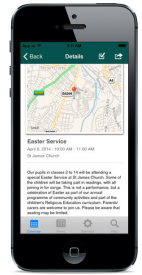

Please can we encourage you to double your efforts. Even the briefest of notes in the reading diary will encourage your child's teacher that you are on the case. If you have any concerns about reading, or would like some advice, please see your child's teacher.

Graham Frost.

Get the App

Many of you have already downloaded our free App which is compatible with a wide variety of smartphones and tablet computers.

Our app will bring news and events straight to your portable devices. It can be downloaded from iTunes and Google Play, and is completely free. You will also find diary dates on our website's News Page.

While we will continue to send newsletters, we will be updating the app and website much more frequently, with news and events.

iTunes App

Follow us on Twitter

Our Tweets go straight to the new app and also appear on the school website. Follow @RFPrimary.

Avoiding the Crush

I know that most of you are used to arriving and leaving via the gate on East Dale Street.

Have you considered using the entrance on

Denton Street to avoid the crush? Since we had the nursery extension built both gates have been open at the beginning and end of the school day. You may also find additional free parking spaces available on Denton Street.

Also, if you drive to school, have you considered parking slightly further away from school and walking just a little bit further? There are often parking spaces available on the streets nearby. I know that many of you will be in a rush to get to your next destination, but you won't be adding much time to your journey and may find it less stressful, too.
