Pizza and garlic bread were enjoyed by everyone - parents included!

# Enterprise Week

Year 6 have spent a week developing their skills for business. How to return a profit on a £2 start up loan?

“Working out profit was tricky at first, but now we understand.”

“We needed to make sure the prices were cheap, but we still had to make a profit.”

“We need to make our stalls look attractive to entice people to buy from us.”

“It has been a success. We have had people queuing .”

“I’m really enjoying this. I think we have made £14.”

# Netball Report

by Kadie and Lucy

On Thursday 7th May we went to Richard Rose Morton Academy for the high five netball tournament. We played against St Michaels, Scotby, ST Monicas, Bellevue, Cumwhinton and more. We had to play against tall teams and short teams. The hardest team we had to play against was St Monicas because they were very tall.

In our first match we played St Michael's. We were beaten 4-2 but we really tried our best. We were only allowed two boys on the court at a time. Our team captain in this game was Luci Mckay.

In our second game we drew 2-2 against Scotby. Team captain for that game was Francesca and she played well in defence.

In match three the score was 4-3, it was really close. Team captain was Lucy Armstrong.

In match four we played really well and worked together as a team. Team captain was Kadie and the score was 12-0 to us. The shooters were, Cole and Francesca in the first half and Owen and Kai in the second half.

In match five our passing was really good. We kept hold of the ball and played well as a

team. The score for that was 6-2 to us the team captain for that was Kai. After the matches we went to the organiser and she told us we weren't in the final but was impressed with all

the goals we scored! We had a really fun time playing our matches and we can't wait to play in another tournament!
